Install perches on a vertical wire. Set the bottom to rest on a horizontal wire for stability.

Assemble the two-piece cups. Hold the hinged cup door up and insert a cup into place. Be cautious when closing the door—keep it from snapping down onto the cup.

Finish with catching the rooftop on the hooks at the opposite end.

CLEANING INSTRUCTIONS

To prolong the life of your new Prevue Pet Products cage, we recommend:

- When cleaning the cage and parts, use a soft cloth or non-abrasive scrub pad (such as Prevue's Cage Saver (#109)).
- Wash all parts with warm water and a mild environmentally friendly, pet-safe soap.
- Rinse thoroughly.
- Hand dry all parts completely with a soft dry cotton cloth before reassembling the cage.
- Do not leave plastic parts in the sun to dry as they may warp.
