CLEANING INSTRUCTIONS

To prolong the life of your new Prevue Pet Products cage, we recommend:

- When cleaning the cage and parts, use a soft cloth or non-abrasive scrub pad (such as Prevue's #109 Cage Saver).
- Wash all parts with warm water and a mild, pet-safe, environmentally friendly soap.
- Rinse thoroughly.
- Hand dry all parts completely with a soft dry cotton cloth before reassembling the cage.
- Do not leave plastic parts in the sun to dry as they may warp.
