1 To attach SCRATCHING POSTS to the DAY BED and ROUND PLATFORM, you will need these pieces:

Twist the **tallest post** into the hole under the round platform to create a stable connection.

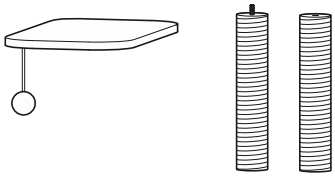

Set this unit aside until Step 3.

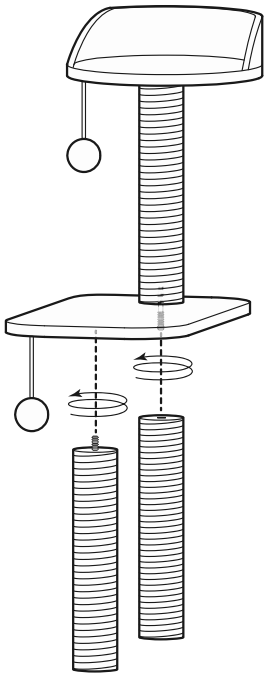

Twist a **short post** with screw-end into the hole under the day bed to create a stable connection.

Twist the two-ended screw post into the bottom—up to where the thread stops.

2 To add the LOUNGING PLATFORM and lower SCRATCHING POSTS, you will need these pieces:

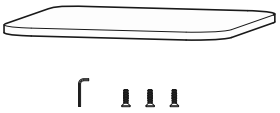

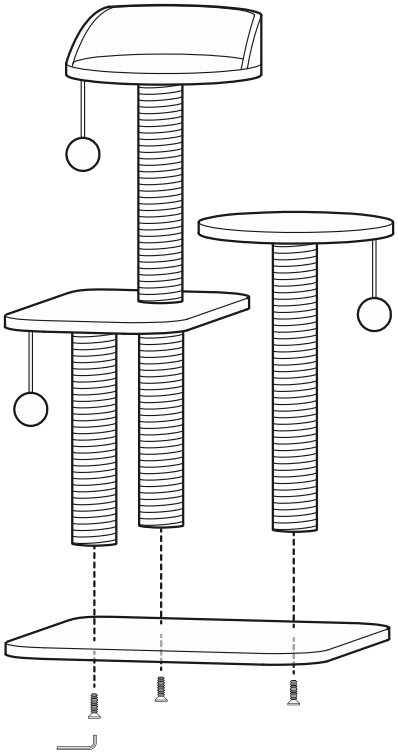

Insert the screw post of the day bed unit through the platform.

Twist a **short post** without screw-end onto the screw post to create a stable connection.

Twist the remaining **short post** with screw-end into the platform.

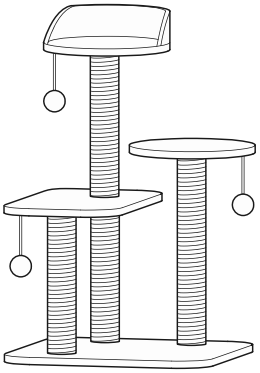

3 To attach the assembled units to the BASE, you will need these pieces:

Add the assembled units to the base.

Tighten screws securely to create a stable connection.
